GOOD BLOOD TELLS ITS OWN STORY

And tells it eloquently in the bright eye, 'he supple, clastic movement, the smooth, soft skin, glowing with scalth, a body sound and well, an active brain, good

appetite and digestion, refreshing sleep, energy to per-loun the duties and capacity to enjoy the pleasures of life. The blood is the most vital part of the body; every organ, muscle, ti sue, nerve, sinew and bone is dependent on it for mountilement and strength and as it circulates through the system, pure and

drong it furnishes to the e different parts all the healthful qualities nature atended. When, from any cause, the blood becomes impure or diseased, it tells a different story, quite as forceful in its way. Itching, burning skin diseases middy, sallow complexions, disfiguring sores, boils, carbuncles, it , show the presence, in the blood, of some foreign matter or poison. There statism, Catarrh, Contagious Blood Poison and Scrofula, are effects of a deeply poisoned blood circulation. These may either be inherited or acquired, but the seat of trouble is the same—the blood. S. S. S., a purely vegetable blood remety, cleaneses and purifies the circulation and makes it strong and clean. Under its purifying and tonic offects all poisons and impurities are expelled from the blood, the general health is built up, all disfiguring cruptions and blembes disappear, the skin becomes soft and smooth and robust health blesses it. Rheumstism, Catarrh, Scrattla, Contagious Blood Poison and all disagrant of the blood are cause by S. S. Book on the blood and any medical brice, free of charge.

George Baptiste, champion wrestler of the city, and Arata Suzuki, a jiu-jitsu expert of Japan, will meet to-night in a wrestling-jiu-jits; match at the Tivoli Hall No 220 Olive street.

The match will be the first of its kind in the city, and the first in the country between two prominent followers of their

Buruhi has a long record of victories among his countrymen, and his friends in this city have backed him to the amount of £30. For a Jap, he is exceptionally large weighing lies pounds, is in perfect condition and wonderfully active.

Baptiste will weigh 15 pounds when he steps into the ring, and while he is attenger than his opponent, he does not goosease the tricks of the Oriental.

No holds will be barred, and the result probably will depend upon who gets there first. The strangle hold is not an exception to this rule, and while Susuki has announced that he can get this terror of the wrestler. It is very probable that Baptists will be able to wriggle out of ft.

C. W. Bassett, athletic director of the Missouri Athletic Club, has been selected to act as referre. Director Bassett is a devotes of wrestling and known a great deal about the Japanese art.

Other features of the night will be a hattle royal between five negroes, an exhibition bosting match between George Mallon and Jack Dunleavy.

A wrestling match, in which Fred Doerr has agreed to throw both Wilham Schmahs and John Sauter in one hour or forfelt \$2, will be a feature.

HEFURIAC SPECIAL.

Het Springs, Ark., March 18.—Four first choices wen at Ouklawn to-day, ever a fast track. About the only genuine upset was the defeat of Grenade in the mile handleap. Only three horses started, and, like many a three-horse race, the outsider won. This was Huzzah, against whom the books laid as good as \$ to 1.

Grenade, the 4-to-5 favorite, finished last. Grenade and Wanwift went out to

lest. Grenade and Waswift went out to make the pace and hung close to each other to the five-eighths pole, with Huzzah far behind. As frequently happens, the leaders ran themselves to pieces and Huxsah, who lay out of the early pace had the most reserve strength. Finally Was-wift shock clear of Grenade, but, coming into the stretch, both swung very wide and Huzzah cut in on the rall, saving perhape haif a dozen lengths, with this advantage, Huzzah got a good lead and maintained it to the wire, winning by a length from Waswift, with Grenade a

maintained it to the wire, winning by a length from Waswift, with Grenade a sength back
Grenade belongs to J. H. McCormach, who started three favorites to-day, winning with two-Crown Prince, at 1 to 4, and Emergency at even money. Crown Prince was certainly dropped into a soft spot in the second. There was absolutely no contention in the race, and the betting was light. Crown Prince got off smartly and won puiled up. He was easily eight lengths in front at the end.

Amergency was equally a good thing in the fifth, but, owing to the largeness of the field, the chances of a had break at the start and the dislike players have to H. Smith, the rider, as good as it to 10 was laid against the golding at one time Emergency got off well and romped home, making the three-quarters in 1:112-5. Mareo and Our Lillie fought it out far behind for the place.

Doctor Helisworth wes the first very easily from a bad lot, running around his field from a poor start. The favorite, Mazzini, had no excuses and is of no account save in the mud.

Vanness, under a very good ride from Wonderly, captured the fourth race by a length, with Joe Goss second and Folies Bergeres third. Vanness won all the way. Platoon opened the favorite, but schorr's house got a tramendous play and was shortly installed the betting choice.

Sanction was much then, when given his head, ran around his field and won going away by a couple of lengths. Entweil made the early running with Falkand, but blew up at the half, while Falkland was a weak second.

Owners of local poolrooms met here last night and agreed to remain closed a week longer in order to help out the Little Hock meeting, which will be run at Oaklaw.
